**STATEMENT REGARDING INTERRUPTION IN POSTAL SERVICE ON
AUGUST 14 AND 15, 2003**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

U.S. Provisional Application No. 60/403,266 filed on August 14, 2002 was to be converted to a United States Non-Provisional application on August 14, 2003. However, due to the power outage in New York (where Applicants' representatives are located) and elsewhere on Thursday, August 14, 2003 and Friday, August 15, 2003, and the inability of post offices in the Northeast and Midwest areas to accept mail during this time, Applicants were unable to file the non-provisional application with the United States Postal Service ("USPS"). A non-provisional application claiming the benefit of priority of U.S. Provisional Application No. 60/403,266 filed on August 14, 2002 would have been filed with the USPTO by Express Mail but for the designated interruption or emergency in "Express Mail" Service. Thus, in view of the USPS service interruption, pursuant to 35 U.S.C. § 21(a) and 37 C.F.R. § 1.6(e), Applicants request that the U.S. non-provisional application in the United States Patent and Trademark Office, which claims the benefit of priority of U.S. Provisional Application No. 60/403,266 filed on August 14, 2003 and is submitted herewith be granted the August 14, 2003 filing date.

*Receipt date granted
is August 14, 2003.
Joni Y. Chang
